NIRMALA FOUNDATION

was not created as an organisation…

It was *born as a response.*

Nirmala Foundation is a **purpose-driven organisation** committed to creating meaningful change where it matters most. **Rooted in compassion and guided by action**, the foundation works to uplift underserved communities by focusing on ***education***, ***healthcare***, and ***sustainable development***.

The *Visionary* Behind It

"Leadership at **NIRMALA FOUNDATION** is not assumed. It is shaped through *responsibility*, tested through *service*, and earned among a *community of excellence*."

Dr. Sila Singh Ghosh
Chairperson
Nirmala Foundation

Vision

To create an inclusive and compassionate world where every individual has access to education, healthcare, and opportunities to live with dignity and hope.

Mission

To drive sustainable, grassroots change by empowering underserved communities through quality education, accessible healthcare, and livelihood initiatives—built on transparency, collaboration, and a people-first approach.
